WORKS**

A proud partner of the AmericanJobCenter network

Although Eastern Oklahoma's American Job Centers (employment offices) are currently closed to the public, we are still working and still accepting applications for our WIOA programs.

The Workforce Innovation and Opportunity Act (WIOA) has programs that can assist eligible people with job search, work readiness skills, resume writing, training, re-trainings, on-the-job training, up-skilling, work-based learning opportunities, and apprenticeships to gain the skills they need, to secure full time, meaningful employment at a self-sufficient wage.

**If you have been laid off due to the COVID-19 outbreak,
