

## EMPLOYER SPOTLIGHT

TRAC Staffing has been in Sallisaw, Oklahoma – Sequoyah County since 1994. The town of Sallisaw is their headquarters. They reached out to the Eastern Workforce Board about job openings in Sallisaw. Right now they have twenty positions with a local manufacturer. These positions are full-time, permanent positions. Please review the job descriptions and how to apply.

---

Local Manufacturer – manufacturing floatable containers and polyurethane (Styrofoam) type products. They also produce sheetrock.

20 positions available, full-time, permanent

Fabrication Shape / Mold Department

Positions are in fabrication and shape mold areas. Each position is distinct in what work is performed, but the process in doing the work is similar for either position. The work consists of taking tiny beads, heating them, in hot ovens, to the size needed. The machines “shape” or “fabricate” the product to the custom size. What is manufactured can be small and light or large, as in; sheetrock or plastic pieces that go under a floating dock.

- Heavy or Light Lifting
- Must be able to read a Tape Measure
